# FISHER RACING SKIS AND BOOTS 2020

Available all year long with pre order 2 weeks before arrival

All ages and racing levels

If you are planning to attend one of our training camps or sessions, you can order the newest models of race skis and boots through us and have them ready upon your arrival.

From 8 years old to FIS and Master racers, we can order models for every racer.

In order to make the best choice, we will need to be provided with accurate information about feet size, weight, height,

previous equipment, etc. Pre-order should be done at least two weeks before arrival.

We work together with the brand Fischer and alongside our partner shops Intersport Glacier Saas-Fee and Valsport Grimentz.

Fischer provides us a very well designed and broad variety of models that highly perform and are easy to handle with great construction quality.
