*SOUTH AMERICA
TRAINING CAMP*

SUMMER

Valle Nevado, Chile

E S C A P E T H E O R D I N A R Y

ABOUT

Farellones / Valle Nevado, Chile.

14 August - 7 September.

For U16 and FIS racers with competitive racing goals.

Development of technical and tactical skills on more race like conditions with a moderate increase of intensity.

TRAINING IN THE SOUTHERN HEMISPHERE

Benefit from winter race conditions in the summer. Long ski days, great snow, long and varied training runs and a great overall experience.

Ski Zenit will move their trainers to Chile and apply their know-how and training methods.

This camp is perfectly recommended for competitive racers that do one or two previous weeks of technical and physical base work in Saas-Fee. Return flights to Santiago are not included, but we can help you organize it.

Parents or any other companions can also join the trip.

EACH WEEK INCLUDES:

- ✓ 24 Nights accommodation and meals.
- ✓ 20 days ski training with Ski Zenit trainers and reserved training lanes.
- ✓ 20 days skipass.
- ✓ GS, SL and SG training.
- ✓ Afternoon activities: condition training, video analysis and ski tuning.
- ✓ End of camp report and videos.
- ✓ Option of participation in races if calendar allows.
- ✓ Airport Shuttles.

For companion's accommodation, skipass and airport shuttles please enquire.

4,850 SFR. All included

(Except flights and mandatory travel & accident insurances).
